Position Type

Internships (Summer)

Description

• Number of Fellowships Offered: 1
• Award Amount: $4000
• The recipient will perform service with an organization of their choice that serves primarily or predominantly Asian-American communities in the United States.
• The recipient must do the following at the conclusion of their internship:
  - Write a short report which shares the impact of their work at their organization within one month of completing the internship. The report will be shared with Harvard Asian American Alumni Alliance (H4A) membership.
  - Make a short presentation about their work at the H4A Summit or another H4A forum within a year of completing the internship.
• The recipient will have access to an H4A Mentor as part of their fellowship.

Thanks to our partnership with the Harvard Alumni Association, alums from several Clubs and Shared Interest Groups have raised money for service projects this year (Visit the CPIC Web site for a full list of partners)

Location

United States (Nationwide)
